

# Now even pet stores can benefit from having their own brands.

A range of complete pet foods and treats for dogs, cats, pond fish, rabbits and ferrets are available for low volume, own brand orders.

The Platinum Range of products have been selected for their popularity and are regularly updated to reflect market trends. All have a proven track record.

These products are available from stock in modern, eye-catching packaging that can be labelled with your own label incorporating your logo and product information. Your very own brand – available in a matter of days direct from GA Pet Food Partners, with very little work or fuss on your part.

Ordering is simple and orders can be delivered or picked up from our depot.

# How to find us

GA Pet Food Partners are based on the outskirts of Bretherton on the main A59 Liverpool/Preston road, allowing easy access from all parts of the country, Europe and the rest of the world via major road, rail and airport services.

**From the south via M6**  
Exit at junction 27, turn left on to A5209. Turn right on to B5246 signposted to Rufford. Turn right on to A59 towards Preston. At the traffic lights, turn right towards Preston, proceed over the bridge.

The entrance to Plocks Farm is approximately 700 metres on the left hand side, before the Bretherton/Croston roundabout.

**From the north via M6**  
Exit at junction 32, follow A6 into Preston Town Centre then pick up A59 signposted for Liverpool/Southport. Continue along A59 for approximately 7 miles until you reach a roundabout signposted Bretherton/Croston.

Continue directly over the roundabout on the A59. The entrance to Plocks Farm is approximately 400 metres on the right hand side.

**By air and rail**  
Manchester International Airport, with its worldwide services, is only one hour away. The nearest main line station is at Preston.
